## A TIME TO REMEMBER

School is out. Students are gone. The corridors echo with silence. A lone person stands surveying the halls, thinking back over the events of the year gone by.

He remembers the first day of school which brought the renewal of old friendships and the joy of making new ones. Fond memories are held of the Howdy Dance which welcomed the freshmen and was highlighted by the crowning of Mr. and Miss Howdy. He recalls the excitement he felt attending football games and the crowning of the Homecoming Queen. After football came cross-country, basketball, wrestling, baseball, track, tennis, and golf.

Echoing down the empty corridors are a Senior's thoughts of Ditch Day, Baccalaureate, Graduation, and the All-Night Party; events which brought his years at Gahr to a close.

As he slowly walks down the lonely corridors, he realizes that for the last time he is traveling the paths which helped to mold his future.

# DEDICATION

During our first three years, you accepted the responsibility of supervising our annual and newspaper staffs. In addition to this, you were an English teacher as well as head of the English Department. You managed, under these taxing conditions, to be an inspirational teacher and also to meet publication deadlines.

Difficult tasks, important decisions, and time limitations have played a big part in much of your life here at Gahr. During these past four years of labor here, your image has brightened, your reputation has grown, and your constant smile and happy "hello" have earned for you the admiration and respect of every administrator and student at Gahr. Nearly every one of the class of 1969, the first class to complete four full years at Gahr, have, at one time or another, been a student of yours.

Because of your personal warmth, your steadfast dedication to duty, and your changeless glow and cheer among us, we, the 1969 Memoriae Aureae staff honor you, Mrs. Marjorie Hart, through the dedication of this book.

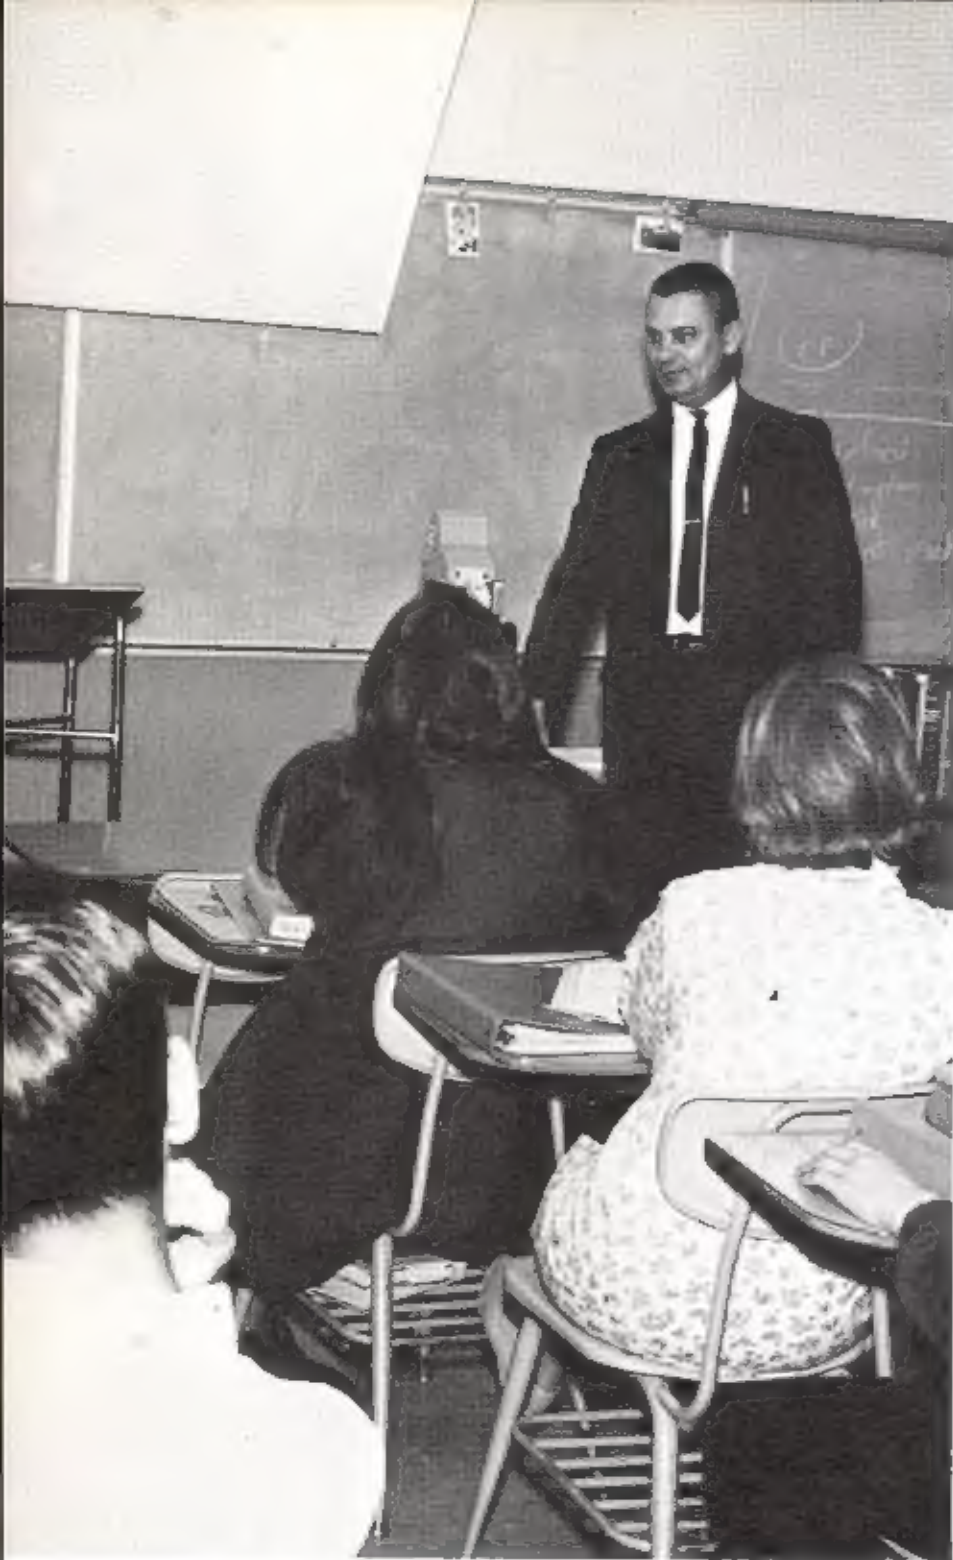

Mrs. Hart takes great interest in individual student's work.

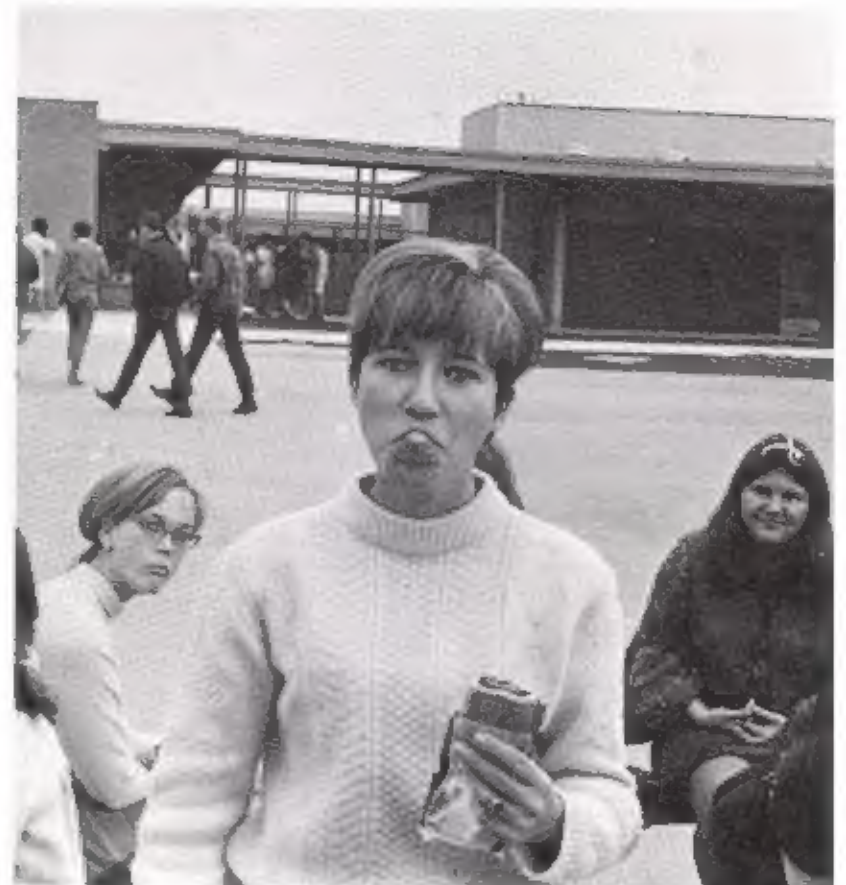

Mrs. Hart enjoys a coffee break in the lounge.

# PRINCIPAL'S MESSAGES

The complete definition of education is yet to be accomplished but Gahr High School students have had the benefit of outstanding learning opportunity this year of 1968-69. Accumulation of basic knowledge has been supplemented with an activity program which offered personal growth through competition with other schools, and development of life-long personal friendships with fellow students.

The adult staff at Gahr has been extremely pleased with the spirit, loyalty and performance of the student body. Achievement is a spring board to success which most students have discovered and which underclass still have the opportunity to use to their advantage.

My personal relationship with students, staff and community has been especially pleasant. It is my sincere wish that all groups will be rewarded in full measure for the kindness, cooperation and effort which have made my first year at Gahr so memorable.

Sincerely,  
Dr. Rants

Congratulations to each and every student as we reach another milestone on the road to success. It has been a year with considerable progress in the fields of student leadership, athletics, scholarship, and citizenship. As students, you have demonstrated the qualities of loyalty, sportsmanship, team play, sincerity, industriousness and leadership which have carried Gahr High School to new heights and should carry all of you far on the Highway of Progress. Whatever obstacles are found in your way may be overcome by this same determination. Best wishes.

Sincerely,  
Charles C. Ledbetter

May you now and always look through the pages of Memoriae Aureae with a feeling of pride and satisfaction. I hope that Gahr High has helped you to gain knowledge not only in subject matter but also in citizenship, in the satisfaction of doing a job well and to the best of your ability and most of all, the importance of respecting the democratic way of life. May this annual always preserve many fine memories for you.

George Totusek

## CLASS OF 1970

The Junior Class, under the capable leadership of President Brenda Kruen, has proven itself to be as determined as ever. The crowning event of the year was the Junior-Senior Prom held on May 10th. To help finance it, the Juniors started the year out by sponsoring the traditional Howdy Dance. Other projects included the selling of chocolate footballs, megaphones, pennants, and book-covers. Excitement was aroused by the raffling off of a '56 black and white Chevy, affectionately called "The Beast." With the help of newspaper drives, the Juniors were able to add that something extra to make this prom the best one ever.

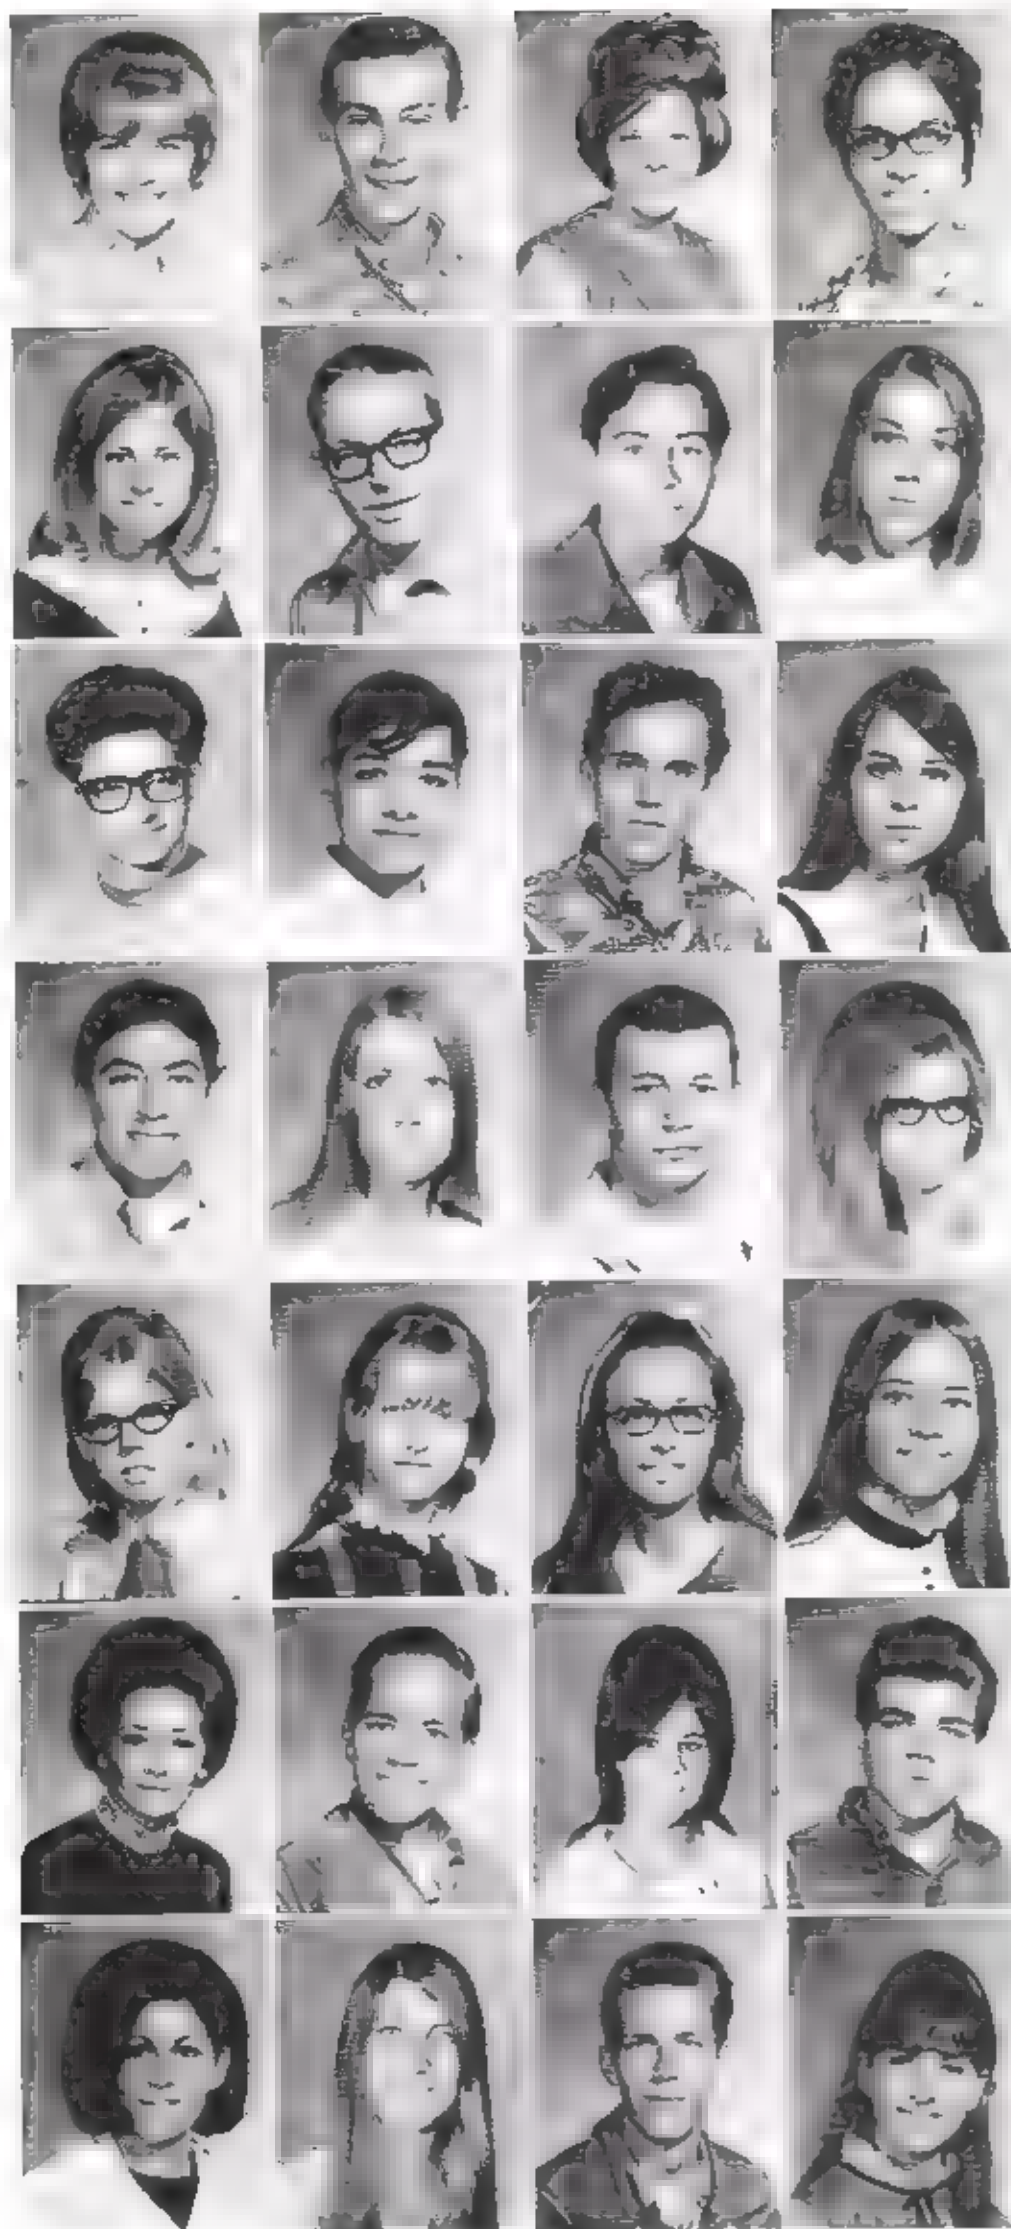

With this kind of determination the Class of 1970 has much to look forward to in their remaining year at Gahr.

Historian-Denise Sano

The Class of 1971 under the leadership of Tim Watt has in two short years made its mark on Gahr. This past year the Sophomores have won two casual days for the greatest number of Student Body Cards and PTA memberships bought, sponsored a successful carwash, a Valentine Dance and raffle, and has been the driving force behind the basketball and football teams. They are anxiously awaiting their junior year, another year of achievement and development in which they can help make Gahr a better school. Indeed, every sophomore can be very proud that he is a part of the "Class of 71"!

# CLASS OF 1972

President-Susan English

Vice President-Donna Saria

Secretary Annie Okubo

Treasurer-Robyn Garfield

Historian-Gary Smith

Here's to the noble Freshmen,  
The boldest of them all,  
No doubt that we're the best men,  
And never shirk at all

Our hardship's just beginning,  
As we face these years of toil,  
From start unto the ending  
We'll be proud, and true, and loyal.

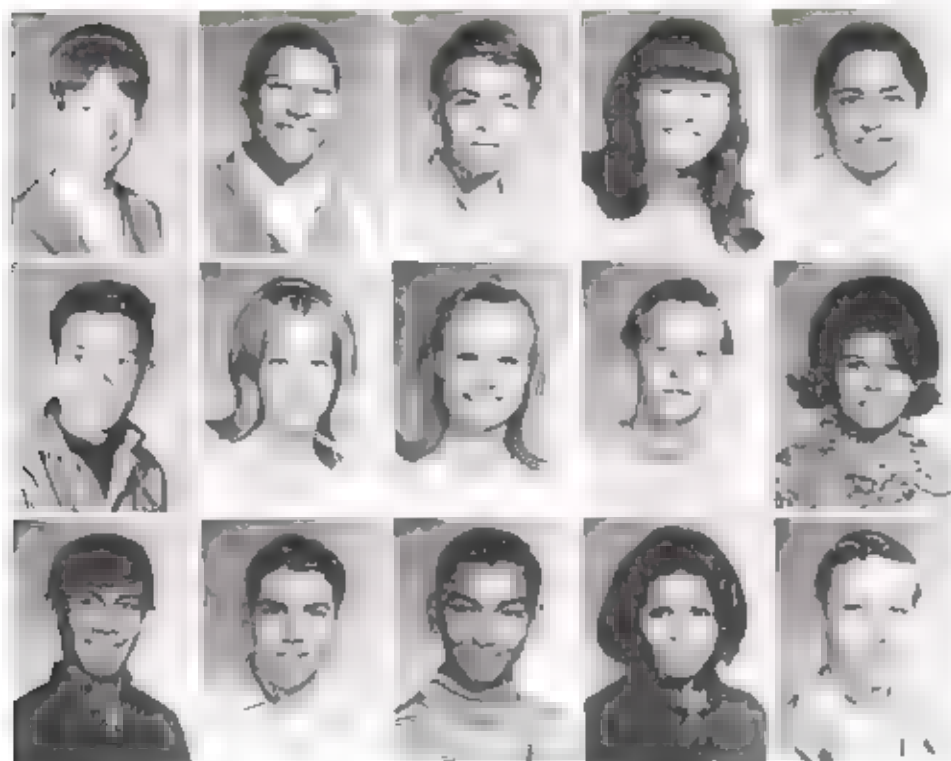

The Class of 1972 is the largest class  
at Gahr High School. We had a  
raffle, in which the winners  
received ten and twenty dollar gift  
certificates, and also sponsored a  
dance on January 10.

## GAHR WELCOMES MIRIAM

Miriam with her American family, Mr. and Mrs. Hanvey and Cathy

Miriam with her friends between classes.

Miriam Gutkind, our foreign exchange student from Uruguay, lives with Cathy Hanvey, a freshman, and her family.

Depending on their grade level, Uruguayan students take between ten and twelve subjects in school. These subjects include math, literature, geography, history, English, French, physics, chemistry, biology, civic education, psychology, music, and art. They go to school six days each week for four hours a day. The subjects each student takes depends on the career he has chosen. Miriam has chosen to become either a psychologist or an interpreter.

Margarita Andrades finds Gahr very different from her school in Chile which is 160 years old and only for girls. Chilean students have to take twelve subjects which include world history, physics, biology, chemistry, civics, English, French, Spanish, and algebra.

Margarita has taken English for five years and French for four, but it's been mostly grammar and not conversation.

By the time she finishes high school, Margarita must know what profession she wants to study for. Because she likes children, she either wants to be an obstetrician or a pediatrician.

## CHOIR

After four years, Gahr's choir under the fine direction of Miss DeLo, has grown to the present 125 members. The Madrigals is a select group of singers and is also directed by Miss DeLo. At the Christmas Program and the Spring Music Festival, the audience thoroughly enjoyed their fine performances.

Miss DeLo has an instinctive sense for good music and her choral groups sing only the best, whether it be religious, classical, folk, or popular. We hope that next year's choir will prove as worthy of the same praise as the 1969 choir.

Director—Miss DeLo

# DO YOU REMEMBER?

The New World Singers singing out the philosophy of youth?

Mr. and Miss Howdy welcoming new students?

Stacking milk cartons at lunch?

The techniques of keeping physically fit?

Anthony turning suddenly feminine on Slave Day?

You're going to marry my daughter, or else!

A typical teacher hard at work?

The girls who did a "sew-sew" job?

Special times like these are some of the most cherished of all memories. One recalls rallies, sports, assemblies, plays... and, perhaps, that one "special" class.

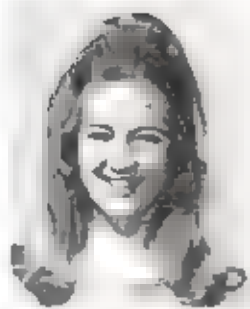

These few scenes are meant to bring back a slight remembrance of events gone by... golden memories.

## FREEDOM SHRINE AWARD

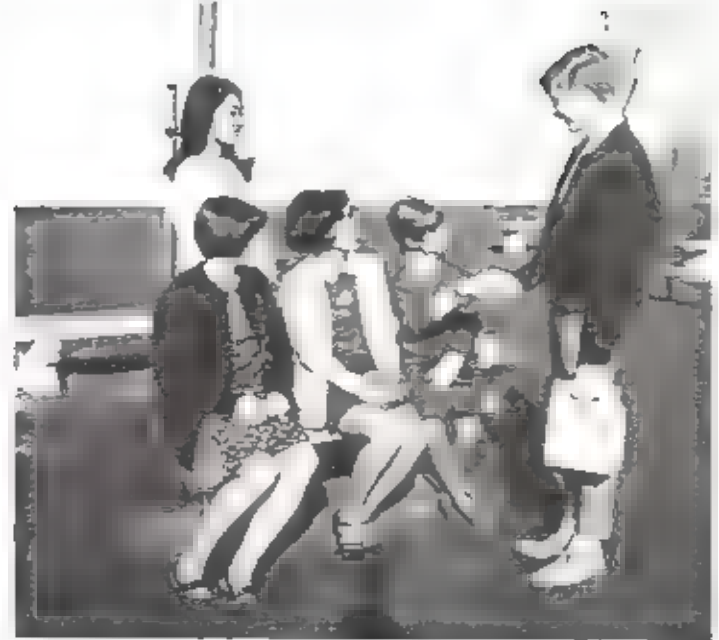

The Exchange Club of Bellflower honored Gahr with the Freedom Shrine at the Homecoming Assembly. Ron Youngerman, Student Body President, accepted the award on behalf of the student body. It consists of many historical documents of importance to our country such as the Declaration of Independence, Bill of Rights, Gettysburg address and the Preamble to the Constitution. They will be placed where all students can view and appreciate them.

Varsity does it again!!

Oh, that really turns me on!!

That's the funniest thing I ever saw.

Seniors are all enthused in yelling.

I always thought there was something more than spirit in this jug.

## THE NEW LOOK

This year the Gladiator Band has completed its most successful season. Marching seventy-five strong, they have created outstanding half-time shows, participated in music festivals, and in competition parades. Sporting new uniforms, the members of this active organization have always given outstanding support to Gahr's school spirit. Many hours of preparation were spent each week on perfecting unbeatable showmanship and musical quality. Their success is a tribute to each individual member's effort. The high reputation and respect for the Gladiator Band is one that the entire student body of Gahr High can be proud.

This year, Gahr's Girls' Athletics Association offered such sports as volleyball, softball, tennis, basketball, and archery to interested enthusiasts.

During one of the playdays, our Tennis team overpowered three other schools to become league champions.

As money-making projects, they sponsored an after-game dance and also conducted the sale of pom poms during the football season.

## 1968 GLADIATORS

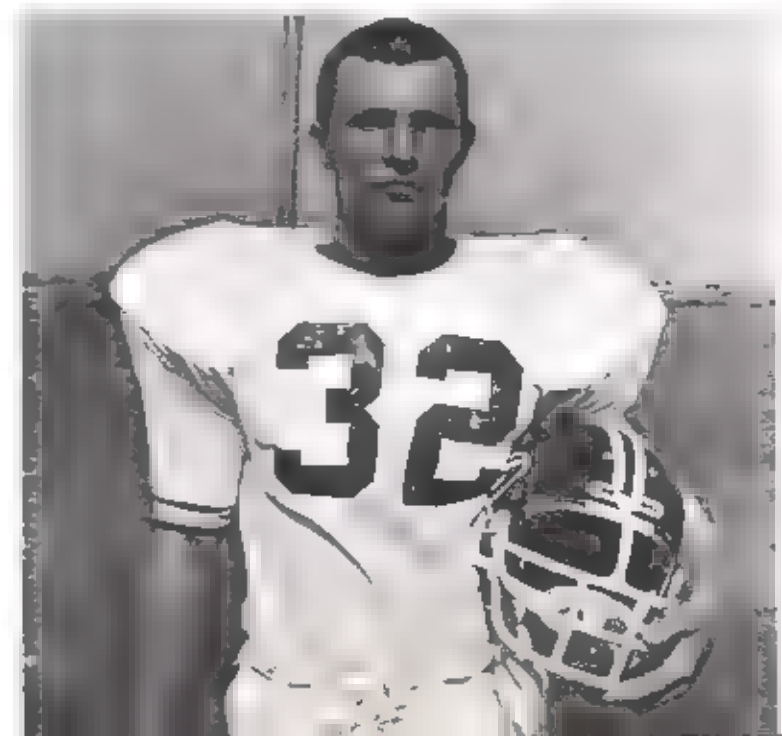

The 1968 football season turned out to be a big disappointment to everyone as the Varsity was only able to tally one win. The high point of the season was against Neff, the league champions. The Gladiators fought hard to the very finish only to fall short. The following week things fell into place with a win over Artesia our arch-rivals. Both coaches and student body are looking forward to next year and a fresh start.

## VARSITY WRESTLING

Under the direction of Coach Rod Engel, our Varsity Wrestling Team fought inexperience and came out 4-5 for the season and 3-2 for league; good enough for second in league and fourth at Cerritos Tournament. They were paced by Co-Capts. Stacy E. Cody, Rudy Campuzano, and Paul Ziegler (the only seniors on the team).

With the loss of only three seniors and another year of experience, the matmen could capture their third league championship. They will be led by C.I.F. prospects Bob Martinez and Paul Murphy.

## CLASS OF 1969

The Seniors of 1969 are proud and privileged to be honored as the first class to complete four years at Gahr. Their contributions and accomplishments have set an example for future seniors to follow.

Under the competent leadership of Bob Campbell, the seniors have organized Homecoming, several dances, and a booth at the Calamity, besides the senior breakfast and traditional activities.

Its members chose brown and gold as class colors and the motto: "May we light up the world with the colors of our contributions."

# WE SERVE:

*Building a better community is, of course, everybody's job. Without the public's support, we could never have completed the following projects:*

- Shuffleboard court facilities
- Horseshoe pitching facilities
- Shelter-shade for these units
- Lion kiddie drinking fountain
- Outdoor kitchen, sink & stoves
- Bob Krum memorial fountain
- Outdoor barbecue and grille
- Picnic tables and benches
- Picnic shades and shelters
- Community identification signs
- 50-star American holiday flags
- Keep community clean trash bins
- Volleyball court nite lighting
- Artesia park restroom remodeling
- Youth baseball sponsorships
- Youth athletics awards banquet
- Thousands of eye examinations
- Eyeglasses for needy children

*We humbly express our gratitude to all who have assisted in the completion of such projects.*
